

WHY AM I RUNNING?

As a resident of Boynton Beach for the past 16 years, I can tell you, your concerns have been my concerns!!

My team and I will get to work with families in Boynton Beach, including single moms and single dads who are struggling every day to put foods on the table.

There are almost 3,000 unemployed people in our city. That should not be!!

Housing prices are skyrocketing for both the Homeowners and the Renters alike.

We will streamline the acquisition of permits for developers of every Boynton Beach community from start to finish.

We will always keep all your concerns on top of our mind. We will listen to your challenges; we will work very closely with the families, the communities, the schools, the Senior citizens, the Women groups, your churches, and your synagogues.

My team and I will get to work with:

- the city of Boynton Beach law enforcement's chief and its officers,
- the Boynton Beach fire department's chief and with the firefighters to make sure they have the technology, tools, and equipment they need to rescue our citizens.

We will provide up to date tools and equipment to the directors of our parks & recreation to keep the beauty of our city immaculate.

We will ensure proper support to our code enforcers to keep our city rock-solid. We will add a minimum of three more qualified compliance officers to the team.

We will institute a new compensation program whereby all city employees must be rewarded every quarter. We know that you have been working very hard to keep our city safe and secure, regardless of the bad treatments you have been receiving from those so-called "leaders".

To all my brothers and sisters, concerned residents of Boynton Beach, I thank you for keeping your headstrong over your shoulders to overcome the hard time you have been facing for the past decade and more. I want to thank you for not letting anyone deter you from the love and hope you have for your city.

I HAVE A QUESTION FOR YOU: When was the last time something occurred in this city that has benefited you personally or your family, in any significant way?? WHEN?? I really want you to think about that.

Now is your time to vote for your interests!! Now is your time to vote for Golene Gordon as your new Mayor on March 8. Now is your time to vote for someone who will see to it that the changes, you have been seeking for more than a decade, will come to fruition for this beautiful and lovely city that has so much to offer, that has yet to meet its full potential for YOUR total enjoyment and benefits.

That so-called establishment group, which wants to maintain the status quo, knows we're coming for them, **to take back our city** from their incompetent claws. That is why they're using all kinds of lies to defame me. Their fears and violent methods are exemplified in the fact that they have even gone so far as to knocking my signs down, threatening our people, using scare tactics to frighten you and me from **taking back your city**.

Together, we need to stop those NO-GOOD influencers and keep them as far away as possible from the management of our city. **You need to come out and vote in mass on March 8, 2022.** We cannot let those bad influencers, that are acting like foes, continue to run our city of Boynton Beach, a city that you and I love so much.

Your voices need to be heard out loud on March 8, 2022. Let's put our heads together and **take back our city once and for all!!**

These incompetent, self-indulgent so-called "leaders" made sure your voices got shut down for the past decade or more. We are not going to let that happen ever again. I want you to step up with me to get to work immediately to **take our city back** from those unfair tactics, from those people that are acting like foes.

We just started this platform just for you. It is YOUR platform, so that your collective voices can be heard. Will you tell everyone to come out on March 8, 2022, and vote for GOLENE?? Because we are going to **take our city of Boynton Beach back TOGETHER.** We will no longer put up with those unfair treatments to our people, those unfair treatments to YOU. **ENOUGH IS ENOUGH!**

LET'S GET TO WORK!!

We are briefing our team and are sharing some insights as well as the results of our movement every Sunday at 3:30pm at the 500 Ocean Café, located at 510 E. Ocean Ave, Suite 107. You are dearly invited to be among us, the Golene's fans, for hors-d'œuvres, coffee and tea, because we want you to be the first ones to know all the insights on this challenging race. Please be at the coffeeshop on time, because we want you to be the first to know exactly what is going on with your city and keep you up to date on the progress of our movement to **take back the city of Boynton Beach TOGETHER.**

Please tell everyone, as loudly as you can, that you are “team Golene all the way”. Please shout it out, from the streets, from the rooftops, from the mountain tops, that you stand behind “Golene for Mayor”, so that **TOGETHER we can take our lovely city back on March 8, 2022.**

We will get to work TOGETHER immediately to clean up BOYNTON BEACH, from north to south and from east to west. TOGETHER, let’s get the job done!!

CAN I COUNT ON YOU?? Please, go to golenegordon.com, express your support with your donation, however small it may be!! Sign up to be a volunteer!! WE NEED YOUR HELP!!

LET’S GO!! LET’S TAKE OUR CITY BACK!!

I am Golene Gordon, your candidate for Mayor for the city of Boynton Beach.
